Re: Band Boosters

Dear Students and Parents,

Greetings from the JWHS Band. I would like to take this opportunity to welcome you to the James Wood High School Band Program. You are entering a program with much tradition and dedication of excellence. It can continue to be that way if you help to continue that excellence in your own hard work and dedication.

Parents, this can involve you also. For your participation, we have the James Wood High School Band Boosters. This group's sole purpose is to support the actions and activities of the James Wood High School Band. It will allow for you to participate in the James Wood High School Band with your child. Your presence means encouragement and support and is an invaluable part of your child's experience. I hope to see and meet everyone of you at all of our meetings. As a JWHS Band parent, you are an automatic member of the organization.

If there are any questions about the Band Booster Organization, or if you have any band-related questions, contact me at 667-5226, ex 42217. I will be checking in occasionally during the Month of July. My office hours for the 2018 - 2019 school year will begin on Saturday, July 28, 2018, and continue every weekday from 8:00 A.M. through 2:30 P.M. until school starts on August 15, 2018.

Thank you,
Jeffrey A. Rutherford
Director of Bands
James Wood High School

The First Meeting of the new school year will take place on Monday, August 6, 2018, at 7:00 PM in the JWHS Band Room. I hope to see all of you there.
